N2651V is a low time Cessna 172 Hawk XP with a factory new engine (105hrs) IO-

AIRFRAME:

TOTAL TIME: 3600

ENGINE: CONTINENTAL IO-360-KB6B

TTSN: 105
TBO: 2,000
HP: 195HP @ 2550 RPM

PROPELLER:

TTSN: 3,259
TSOH: 105

MAINTENANCE:

- Annual inspection completed July 2011
- IFR recurrent check April 2011.

360-KB6B 195hp. It is loaded with avionics including Garmin 540/430, STEC 50 Autopilot, Sandel 3308 HSI, WX500 Stormscope, JPI Engine Analyzer, Garmin 340 Audio Panel, and Garmin GTX 327 Transponder. With no expense spared, even **long range fuel tanks**, this plane compares more to new Cessna's than old ones!

Asking \$133,500 and open to offers!
